12th European Conference on Innovation and Entrepreneurship

21-22 September 2017

Novancia Business School Paris, France

ECIE 2017 is an opportunity for academic scholars, practitioners and individuals who are engaged in various aspects of innovation and entrepreneurship teaching and research to come together and exchange ideas. Globalization, innovation and the development of new technologies create new challenges and opportunities for companies, public bodies as well as countries. Scholars, managers and policy makers must engage with the challenges to be faced in today's knowledge-based economy.

ECIE 2017 welcomes diverse range of submissions including academic research, case studies and work-in-progress/posters.

Conference Chair: Dr. Christophe Loué

Programme Chair: Sonia Ben Slimane

Confirmed Keynote Speaker:
Assoc Professor **Jerry Courvisanos**

Key Topics Include:

- Economics of innovation and entrepreneurship
- Innovation and entrepreneurship for educators
- Innovation and entrepreneurship in business
- International innovation and entrepreneurship
- Social innovation
- Innovation and entrepreneurship in minority groups
- Management of innovation
